

## 2020 Accredited Manufacturers

2020 Accredited Manufacturers are those who have had their catalog content validated by 2020 and also distribute that content via 2020 or the accredited manufacturer. 2020 Design users can be assured that the content delivered is of the highest quality, and they can design and specify from brand-specific catalogs with accuracy and confidence. You'll recognize 2020 Accredited Manufacturers by the logo shown here.

## About 2020

2020 helps professional designers, retailers and manufacturers in the interior design and furniture industries capture ideas, inspire innovation and streamline processes. By providing end-to-end solutions and the world's largest collection of manufacturers' catalogs, 2020 provides businesses with the software and content to be more efficient, integrated and productive.

### Professional

Enabling professional designers to create kitchens, bathrooms, closets and commercial offices which look as stunning on the screen as they will in reality.

### Manufacturing

Providing furniture and cabinet manufacturers a complete manufacturing operations management capability developed to meet their needs.

### Retail

Empowering interior home improvement retailers to inspire the imagination of their customers and accelerate decision making.
