2020 Partner Program

Welcome to 2020

2020 helps professional designers, retailers and manufacturers in the interior design and furniture industries bring ideas to life, inspire innovation and streamline processes. By providing end-to-end solutions and the world's largest collection of manufacturer's catalogs, 2020 provides businesses with the software and content to be more efficient, integrated and productive.

2020 Partner Program for Technology Partners

2020 Partners provide complementary components or leverage components provided by 2020. By partnering to leverage best-in-class technology, we can optimize our development resources to create better products, faster.

Technology Partner Benefits

2020 is a strategic software solution partner that allows you to expand your market presence and grow your business.

Increase Market Presence

2020 provides tools and resources that help increase visibility of your technology to 2020 customers around the world.

- Featured placement as a Technology Partner on our corporate website
- Use of the internationally recognized 2020 Authorized Partner logo
- Co-marketing opportunities (marketing campaigns, newsletter , customer events)

Increase Revenues

- Access to a large target market
- Introduction to a new market vertical
- Attractive margins

Additional Benefits

- Defined engagement with a 2020 Development Manager
- Defined engagement with a Product Manager (where required)
- 2020 product license for development or demonstrations

Why Partner With 2020?

- 25+years experience in the interior design & furniture manufacturing software industry
- Global market reach—over 25,000 customers and millions of users globally
- Access to over 2,300 manufacturer catalogs
- Innovative and the leading provider of end-to-end solutions for the interior design and furniture industry
- Have solutions in more than 48,000 stores and manufacturing sites across 100 countries
- Dedicated & focused on building long lasting relationships

Technology Partner Requirements

2020 is looking for innovative Technology Partners who can provide a sustainable, superior technology or component that will help 2020 optimize their development resources to create better products, faster. To become a 2020 Technology Partner you must address the following requirements:

- Provide access to API's and data
- Have the appropriate resources for the development, maintenance and support of technology
- Assure technical proficiency of the resources
- Commit to a long-term cooperation with 2020
- Promote 2020 products and the 2020 brand

About 2020

2020 helps professional designers, retailers and manufacturers in the interior design and furniture industries capture ideas, inspire innovation and streamline processes. By providing end-to-end solutions and the world's largest collection of manufacturers' catalogs, 2020 provides businesses with the software and content to be more efficient, integrated and productive.

Professional

Enabling professional designers to create kitchens, bathrooms, closets and commercial offices which look as stunning on the screen as they will in reality.

Manufacturing

Providing furniture and cabinet manufacturers a complete manufacturing operations management capability developed to meet their needs.

Retail

Empowering interior home improvement retailers to inspire the imagination of their customers and accelerate decision making.
