

2020 PRESENTS

Design Unplugged - Creativity and Collaboration from Anywhere!

Design efficiently and effectively from virtually anywhere! Review the design process and highlight the areas that you can improve by expanding your technology tool-set. Most of the tools we focus on are cloud-based and available to everyone. Don't forget to bring your mobile device for a hands-on experience (phone or tablet)!

ABOUT THE PRESENTER

Vanessa DeKoekoek, Global Training Manager, 2020

As an active NKBA member from West Michigan, Vanessa fell in love with the details of kitchen design over 15 years ago. Her passion for technology has grown after teaching commercial and residential software courses at both the corporate and collegiate levels.
