

"2020 Design and Pontta Gestor provides us with all the tools we need to create breathtaking designs for our customers. We can delight our customers with visually stunning renderings created with an extensive catalog selection and keep the budget on track during all phases of design," said Magno Freire, General Manager of Veggas Solutions.

Veggas Solutions had a very humble beginning, starting out in the founder's garage. Mr. Veggas's craftsmanship and dedication was the root of the company's early success. The company's popularity and reputation grew, and by 1990, Veggas Solutions opened their first showroom. In 2002, the company expanded again by opening up another factory. Veggas Solutions is dedicated to customer satisfaction and professionalism.
