

KABS SOFTWARE

Exclusively Designed For Kitchen & Bath Dealers

KEY FEATURES

CRM

Efficiently manage all your company's relationships and interactions with leads, customers and vendors.

SALES MANAGEMENT

Improve productivity with streamlined processes and stay ahead every step of the way.

ORDERING

See exactly what's being ordered from suppliers, the itemized list and cost, and where and when to expect delivery.

JOB MANAGEMENT

Robust functionality so you can track projects from start to finish, log notes and attach documents to every job in a safe place that can be accessed by any team member.

INVENTORY

Manage your inventory digitally across multiple locations and completely streamline your fulfillment process.

KPI REPORTING

Our insightful dashboard gives you a holistic view so you can make informed, effective decisions.

QUOTING

Spend more time growing your business and less time sending bills.

2020 INTEGRATION

KABS integration with 2020 allows you to quote and order products seamlessly with the manufacturer.

KABS SOFTWARE

Customizable and Flexible ERP Solution

ABOUT US

We help kitchen and bath companies achieve their goals with impactful, industry-specific software solutions.
