

Program for Manufacturer Dedicated Sales Representatives (DSRs)

We are committed to our partners.

Program for Manufacturer Dedicated Sales Representatives (DSRs)

Our program for Manufacturer DSRs offers manufacturers the right to purchase subscriptions of **2020 Design Live** to be used for dealer recruitment, catalog demos and catalog product training at substantially discounted annual subscription rates for all of their eligible* Dedicated Sales Representatives.

Benefits

- Use 2020 Design Live to showcase manufacturer catalogs, for dealer recruitment and for product demos and product training.
- Annual subscriptions at significantly discounted prices.
- Easy access and upgrades anytime, anywhere through [2020 MyAccount](#).

*Conditions for Eligibility

Manufacturers and DSRs using 2020 Design Live must adhere to the following conditions:

- Use exclusively for the purposes of dealer recruitment and manufacturer product training for dealers.
- Use exclusively by the named subscriber.
- Prohibited for any commercial use, including but not limited to, design work intended to sell kitchens or bathrooms or training users on 2020 Design Live.
- Subscription renewed annually upon validation and approval from 2020.
- 2020 may audit the usage of the manufacturer's 2020 DSR keys at any time.
- Accept the terms of the 2020 Design Live license agreement and the Master Purchasing Service Agreement.

About 2020 Design Live

2020 Design Live will change the way you do business. 2020 Design Live is a new version of 2020 Design that uses configurable content in the cloud to deliver significant business value to our users. 2020 Design Live has all the features and rich functionality available in 2020 Design but also provides you with configurable cloud content for cabinets, appliances and more, that is always up to date and accurate—and faster to design with. 2020 Design Live also includes 2020 Design Closet, AIM (Application Integration Module) and an amazing new rendering engine, [EZ Render](#), designed to maximize efficiency and quality.
