

2020

AUTHORIZED PARTNER

2020 Design Live helps you design, plan and visualize kitchens and bathrooms with thousands of 2020's flexible products from manufacturer catalogs and stunning 3D renderings. Created specifically for kitchen and bath professionals, this CAD software's built-in rules ensure that projects comply with industry design standards, from start to perfect finish. Plus, get advanced capabilities for closets and home organization with add-on modules.

We are committed to our customers.

New Customer Onboarding

- We want you to be up and running as soon as possible. Within 24 hours of your initial purchase, we will invite you to join an onboarding webinar where you will learn how to quickly get your 2020 Design Live software up and running and where to access all the resources you need.
- Our customer success team is dedicated to your success. For 24 months after initial purchase, a representative from the customer success team will contact you on a regular basis to assess your needs and address your questions.

Product Support

- Product support: How can we help you? [Just send us an e-mail](#).
- Product upgrades: We are continuously making improvements to the software—[access updates here](#).
- 2020 Knowledge Center: [Search our how-to articles](#) to quickly get answers to common questions.
