

**Get organized.
Be productive.
Win more deals.**

2020 Manager

BROCHURE

The solution

With 2020 Manager, you can organize your company, increase your productivity and win more deals in the process. Don't get left behind—the future is here with 2020 Manager.

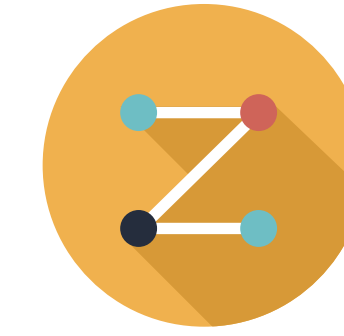

2020 Manager is the only business process management solution for the kitchen and bath industry, created by the leading provider of interior design software. Manage your business processes and customer interactions in an all-in-one browser-based and user-friendly application that you and your team can use in the office, at home or on the go.

The benefits

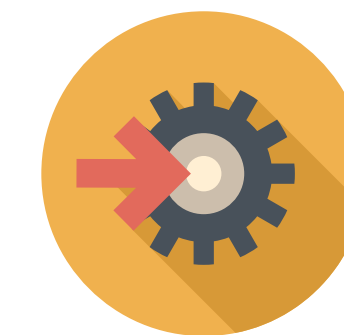

Manage your business, anywhere, anytime

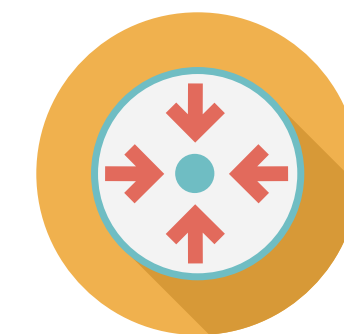

Configure your business workflow

Gain visibility and control of your business processes

Integrated with 2020 design applications

Centralize your information

Business process management made simple

Visibility and Control

Gain an unrivaled, all-in-one view of your entire operation. 2020 Manager allows you to oversee and organize employee tasks, goals, responsibilities, performance and activities. Access in a manager view for oversight. Offer centralized workflow dashboards for team members. Superior scheduling organization allows you to keep your business on track, your employees on task and integrated with the calendar of your choice.

Configured to Your Business

Find your best path to closing sales with accuracy and efficiency.

2020 Manager is designed to meet your individual needs with a predefined but configurable solution to guide your team throughout the customer journey, from prospect to contract. Access and manage surveys, quotes and reports to gain automated insight into consumer behavior and needs.

Central Hub

With 2020 Manager, the data you need is always within reach. Access an activity-based central data hub for your entire team. Effortlessly manage their prospects, customers, designs, quotes, sales and purchases. Cloud-based management of all contacts, engagements, activities, quotes, contracts, as well as all attached files from 2020 Design Live, makes it easy to collaborate from the office or on the go via tablet devices. No more searching, no more misplaced information.

Integrated with 2020 Software

2020 Manager connects seamlessly with 2020 products, providing an optimized transfer of design information and pricing to minimize errors and streamline your workflow.

About 2020

2020 helps professional designers, retailers and manufacturers in the interior design and furniture industries capture ideas, inspire innovation and streamline processes. By providing end-to-end solutions and the world's largest collection of manufacturers' catalogs, 2020 provides businesses with the software and content to be more efficient, integrated and productive.

Professional

Enabling professional designers to create kitchens, bathrooms, closets and commercial offices which look as stunning on the screen as they will in reality.

Manufacturing

Providing furniture and cabinet manufacturers a complete manufacturing operations management capability developed to meet their needs.

Retail

Empowering interior home improvement retailers to inspire the imagination of their customers and accelerate decision making.
